

CANTEEN FUND AIDED NUMBER OF VETERANS

In a statement recently forwarded to the minister of soldiers' civil re-establishment department, the Alberta board of trustees of the canteen fund reported that during the fiscal year ending March 31, 1928, 322 applications for relief had been received by the board and the total amount disbursed during the 12 months had reached the total of \$12,479.00. This brings the total disbursements of the administration to \$20,650.00 in giving relief to 1,247 veterans. The total amount \$24,448.00 had been repaid to the fund.

The income of the board during the past fiscal year from its investment was \$6,231.00, which is 4.75 per cent on the invested capital.

The board draws attention to the steady increase in the number of applicants for relief from ex-servicemen who, because of their war service, find themselves unable to compete in the employment market and gradually break down under the strain of maintaining themselves and their families. Many who appear to be able to persevere on account of war service find it increasingly difficult to do so in the necessary evidence to the Pension Commission because of the loss of time since the end of their service.

Need Great Care

Because of the number of such cases in the province of the board has become necessary that the greatest care be exercised in the selection of relief so that the fund may not be exhausted as long as possible. In those cases for which no other form of government assistance is provided, the board is obliged to provide relief for the veterans.

The applications for relief originating in the Calgary district are those reported and reported upon by the veterans' representatives, Mr. Captain W. A. Sturges, and in Edmonton the investigations were made by the late Rev. Captain J. P. Gierke up to the last day for before his death.

In the board's report it is pointed out that the fund is not used in cases of unemployment but is retained to provide relief where economic distress of the veteran or his family is concerned. The Alberta board recommends to the minister that a conference of the various groups be arranged to formulate a consistent uniform action for the Dominion to deal with the problem of the proper use of these funds and in order that the results of such a conference may be made available to the executive boards of each of the ex-servicemen's organizations so that full co-operation with these organizations may be maintained.

NEW FURNITURE FOR NEW HOMES

New Furniture for 500 New Homes in Edmonton

Being Built, Already Built, or Under Construction

Campbell's Furniture Ltd. are devoting their entire time and attention to this business for the month of July.

During the past few months we believe we have rendered a real service to the community in fully furnishing, from Basement to Attic, many of the new homes already built, evidence of which can be submitted to you and permission given to inspect the artistic and economical manner in which these homes have been tastefully furnished.

Let Campbell Furnish Your New Home

For the Living Room

Many are the ways and means of properly furnishing and decorating the Living Room. Let us quote these two different plans, as suggestions:

Plan No. 1—Chesterfield Suite; 6'9"x9' Rug; Piano Lamp; Walnut End Table; Pedestal; 3 Pictures; Drop Leaf Walnut Table; Smoker's Stand; Oval Mirror, and Console Table.

Inclusive Price **\$298.00**

Plan No. 2—Chesterfield only; two odd Easy Chairs; Walnut Centre Table; Bridge Lamp; Bookcase; Fernery; 4'6"x7'6" Rug; 3 Pictures.

Inclusive Price **\$188.00**

For the Dining Room

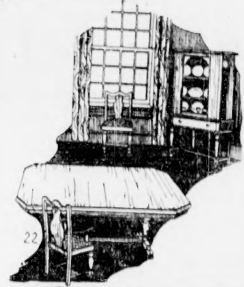

For the Dining Room, ranging in size from 10'x12' **Plan No. 1—One complete Dining Suite of Solid Walnut, 9 pieces, consisting of 60" Buffet, William and Mary design, 1 square Extension Table, to seat 10 to 12 persons, 6 Chairs beautifully matched, full leather seats, 1 China Cabinet; 1 Linoleum Rug in any desired pattern; 1 long Plate Glass Mirror above buffet; 1 solid walnut Dinner Wagon.**

Inclusive Price **\$272.00**

Plan No. 2—For the small dining room, we would suggest a Drop Leaf Extension Table, can seat 6 persons; 4 Windsor Chairs; and neatly designed small Buffet, in either walnut or oak; 1 Linoleum Rug, any desired pattern; short Mirror for above buffet.

Inclusive Price **\$180.00**

NOTE—Should you desire an enamel dining or breakfast suite, figure \$50 less than above price.

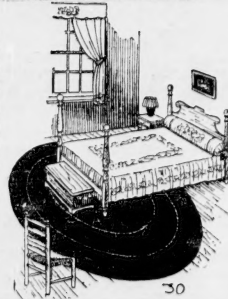

For the Bedroom

We would suggest the most economical way is to furnish two bedrooms, which most new homes contain, with a complete high-grade Bedroom Suite in the newest two-tone walnut finish. This suite comes in 5 pieces, and we can furnish extra bed. This combination adequately furnishes two bedrooms. This combination suite comprises—Large Dresser, Men's Chiffrobe, Ladies' Vanity Dressing Table, two 4'6" bow end or straight end Bedsteads, Parkhill's Mermaid Mattress, Way Sagless Spring, one Bench and Chair, or two Chairs to match, two bedside **\$285.00**

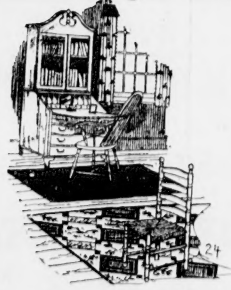

MAKING EACH BEDROOM COMPLETELY FURNISHED FOR ONLY

\$142.50

We can supply other Bedroom Suites for as low as **\$76.00** for each bedroom.

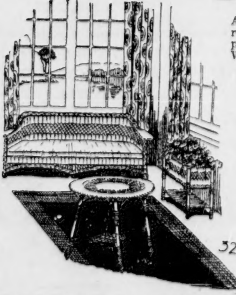

For the Library or Den

This is a room too often carelessly furnished, but can be made very attractive at a comparatively small outlay. We would suggest one Library Table, Secrétaire Desk, Two Easy Chairs, Sectional Bookcase, 4'6"x7'6" Barrymore Rug, Smoker's Stand, and three **\$125.00**

For the Sun Room

As so many modern homes contain a Sun Room, this room should be furnished as appropriately and completely as possible. We suggest the use of modern Wicker furniture in the attractive designs and colorings which may be procured today. They come fitted with box spring seats, tapestry or silk upholstery. To completely furnish the sun room we recommend a 3-piece Wicker Suite, Fernery, one Bridge Lamp, one Wicker Centre Table, one Grass or Jute Rug. Inclusive Price from

THOUSANDS OF UKRAINIANS TO HOLD CELEBRATION HERE

Over 100 Carloads From Mundare District Alone—
Huge Parade From C. P. R. Station Tonight—
Grand Program Arranged For at Arena

Thousands of Ukrainians start from the Canadian Pacific station at 6 o'clock tonight. Over one hundred carloads of Ukrainians from the Mundare district alone are coming. Hundreds are coming from Vegreville, Lamont, Shandro and other northern towns.

William Olynik, president of the association, has mapped out the line of the procession. Forming at 6 o'clock the parade will start from the C.P.R. station. The parade will move along Jasper avenue to 101st street where it will turn north going to the Canadian National depot.

A huge parade, consisting of the visitors and local members of the association will

then along Jasper avenue to 97th street where it will again turn north to 103rd avenue proceeding to the Boyle street park where they will be disbanded.

At 7:30 p.m. the doors of the arena building will be thrown open and the thousands of visitors will file into the building where a grand program will be run off.

The Edmonton Newsboys Band and the Ukrainian National Band from Mundare will be in attendance at the arena. Over 150 dancers, all gaily attired in their brilliant colors, are on the program. A choir of sixty voices strong is also assured. It is expected that the program will be completed by 12 o'clock.

On Sunday afternoon at the Exhibition grounds a gigantic picnic and field day will be held. There will be many Ukrainian speakers as well as many local prominent speakers.

Prominent Speakers
Tonight His Honor Lieut. Governor Egbert will make

the first speech of the evening at 8:15 o'clock at the arena building. He will speak on behalf of the province. He will be followed by His Worship Mayor A. U. G. Bury, who will speak for the city. The Hon. George Hoadley, minister of agriculture, will speak on behalf of the provincial government.

Senator Hon. W. A. Griesbach, Hon. Frank Oliver, member of the board of railway commissioners, and K. A. Blachford, Dominion member for East Edmonton, will speak on behalf of the old-timers.

The Hon. R. B. Bennett, K.C., leader of the opposition in the Dominion house, has sent his regrets at being unable to be present, and it is possible that he will be represented by A. A. McGillivray, K.C., Conservative leader for Alberta.

Folk Dances Too
Folk dances and the old songs of Ukraine will also be on the program. An orchestra under the direction of J. Sawich will play Ukrainian national airs, and the

Mundare band, under the direction of F. E. Dolinsky, president of the Musical Society of Mundare, will also render selections.

Members of the Edmonton board of trade committee are: President F. W. Doherty, H. H. Cooper, W. Sheffield, and John Blue, while the local committee consists of Wm. Olynik, J. S. McCallum, M. Jackinsky, P. D. Rudyk, Dr. Jos. Megaw, Mrs. Tomaschewsky, Stephen Todchuk and Paul Turk.

Accommodations for only 1200 of the visitors has been secured in local homes and the hotels will in all probability be loaded to capacity. It is hoped that others will provide rooms for several visitors.

Monday's Program
On Monday the entire party of Ukrainians will be split in two, and half of the party will attend the Scottish Highland games at Diamond park and the other half will be present at the South Side Exhibition

grounds where the South Side sports are to be held.

Undoubtedly with such a tremendous throng on hand, huge crowds will be at both sports fields during Dominion day.

It is the first time in history that the Ukrainians have ever held such a gigantic celebration in this city or in any other part of the west. It is hoped that it will be an annual affair. At the present time William Olynik, president of the Ukrainian Old-timers association, thinks that there will be an annual reunion of Ukrainians in Alberta—but everything depends on the first celebration and indications are that it will be an overwhelming success.

Welcome to City

Edmontonians welcome the visitors to the capital of Alberta and they, too, hope that it will be an annual event, and that the first reunion will be an outstanding success.

With between 15,000 and 20,000 persons expected to be in attendance, the Ukrainian celebration is expected to be one of the greatest of its kind, will get under way at 8 p.m. Friday when a parade which will feature the dress and costumes of the Old Land, will leave the Canadian Pacific railway station at 10th St. and Jasper.

The celebrations are being held to commemorate the arrival of the first Ukrainian settlers in Western Canada 30 years ago, and is being held under the auspices of the Ukrainian

Old Timers' association.

The celebrations will continue until Monday night, and will start Friday night with the parade. The route of the parade will be from 10th street and Jasper, east to 101 street and Jasper; north on 101 street to 104 avenue; east on 104 avenue to new Canadian National railway station; south on 100 street and Jasper; and east to 97 street, north then to the Boyle street grounds, where the parade will break up.

Two bands will be in the parade.

The doors of the Arena will be opened at 7:30 p.m., and from then until 8:15 p.m., when the celebrations will be officially opened by Lieut. Gov. Dr. Egbert, the famous Edmonton Newsboys' band will play, this organization co-operating with the Ukrainians in making the celebration a real success.

Reverend Lieut. Gov. Dr. Egbert, other speakers will be Mayor A. U. G. Bury, Hon. George Hoadley, minister of agriculture for the province, Senator Hon. W. A. Griesbach, Hon. Frank

PROGRAM FOR UKRAINIANS' CELEBRATION

Here is the Ukrainian celebration program:

Friday, 6 p.m.—Parade from the C. P. R. station; 7:30 p.m., opening at Arena, speeches starting at 8:15 p.m.

Saturday, banquet at the Ukrainian National home, 100th avenue, in the evening. Other events during the day.

Sunday, picnic at the Borden Park.

Monday, the Ukrainians will take part in the sports activities at the grounds and Diamond Park.

THEIR FACES ARE FORTUNES IN HOLLYWOOD

By DAN THOMAS

HOLLYWOOD, Calif., June 28.—With babbling tongues, beauty queens, and various other kind of cosmetics crowding the powers that be, it seemed as if Hollywood was to "break" and pack a few famous names.

There has been no official stampede upon these famous and not-so-famous faces, but it is said that the "big" girls are being "packed" in a way that is not to be missed. The "big" girls are being "packed" in a way that is not to be missed.

Minister Says Institute Has Laid Foundation for Big Move

MEMBERS ARE HONOR GUESTS OF PROVINCE

Hon. George Hoadley Presides at Banquet Thursday

Attaining a success far greater than even the most optimistic had planned for, the first Alberta Institute of Cooperation has laid the foundation for better hope for the future and had planned an important part in the development of the co-operative movement in this province, declared Hon. R. O. Reid, provincial treasurer and minister of municipal affairs in addressing a banquet given at the Athabasca Hotel, University of Alberta by the provincial government, to members of the institute on Thursday evening.

The minister said that all down the ages, success had been achieved by co-operation and unity of purpose, but that in this co-operative movement as that which was presently convening the agriculturalists of Alberta that there was unlimited possibilities and possibilities.

Pave Tribute
Warm tribute was paid to those whose efforts made the institute possible and to those who had come from far distant points and endeavored to give their time and assistance of their time and assistance to further the purpose of co-operation.

Robin Hood, editor of the Memphis Tenn. Farm Journal, outlined the importance of the co-operative movement in this country as compared with that of the United States. In the great republic to the south, there was an eternal seeking after the elixir of life, and this appeared to be the prime essential of the movement here, while the exporting of so many dollars as possible was attended to, yet behind the material success there was a spirit, an energetic movement that impelled the movement forward for its own sake and without regard for economic conditions alone. The speaker thought was a matter of the utmost importance and urged toward contributing much to the development and expansion of the institute.

Addresses were delivered by representatives of the institute, including Mr. J. H. Miller and Dr. McCarthey.

Hon. George Hoadley, minister of agriculture and health presided.

Kicking a Tire ...

... is no way to test it!

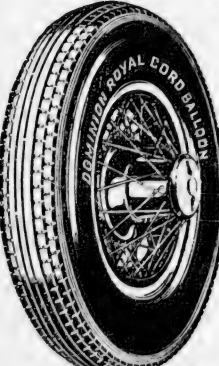

KICKING a tire may be alright as exercise, but it can never give you a true indication of inflation. Only a pressure gauge can do that.

There is a correct pressure for your tires. It depends on the size of the tire and the wheel load. At that pressure your tires will give you maximum mileage, maximum riding comfort. If your tire inflation goes three pounds above or below that correct pressure you cut mileage from the life of your tires, reduce riding comfort.

Use a gauge. Know the correct pressure for your tires—and maintain it. That's the only way to get full value for your tire dollar.

Better still, drop in at a tire service station once a week and have every tire inspected, and the pressure checked. Let an expert search for cuts, bruises, breaks in the tread fabric. Oftentimes a slight repair will prevent a blowout.

You'll be surprised at the saving in your yearly tire bill.

Dominion Royal Cord Balloons are made with special rubber. It is the strongest and most uniform rubber known. It is prepared without the use of smoke or acids. These are made with Dominion Royal, the most modern and complete rubber and cord.

It is a built-in tire and they will deliver it.
